

## Absent Student Form

Please indicate below if a student is absent and not attending the simulation. Email this list or hand it to us when you arrive.

It is very helpful if you have this form completed before your arrival as it saves us valuable time and helps ensure that all shops have an equal chance for success.

Please **do not rearrange student** jobs to cover absences. A JA BizTown staff member will consult you if necessary.

School / Teacher(s): \_\_\_\_\_
