

JA Finance Park®

On-Site Visit Reminder

Dear Parents and Guardians:

The time has finally arrived! Our class is going to JA Finance Park tomorrow. The students have worked hard and are excited about this educational experience. It promises to be an event they will always remember.

Please help us have a successful experience by noting the following reminders:

1. Please have your child bring a lunch. (Drinks will **NOT** be provided).
2. Please make sure your child arrives at school on time.
3. Students should wear business-casual clothes appropriate for JA Finance Park.
4. Once students are inside the building they are not allowed to leave the premise until dismissal for security reasons.

If you are one of our JA Finance Park volunteers for the day, thank you for your assistance and for attending the mandatory training. Volunteers should arrive at the JA Finance Park site for a mandatory training 30 minutes before students arrive.

We look forward to seeing our students in action! It will be a wonderful day for all.

Once again, thank you.

Sincerely,
