87% of students believe they benefitted from their participation in JA Inspire.

86% of students believe the things they learned at JA Inspire will be important later in life.

89% of students learned about a new career, or more about a career of interest.

91% of students know of at least one career field that is a great match for their talents, abilities, and interests.

"I was so excited because it's fun that we get to explore careers that I didn't even know about."

- 8th Grade Student
Wood Middle School, Davenport

"It is fun being hands-on with stuff and that gives us a better feel of what jobs are currently like in our society."

- 8th Grade Student
Wilson Middle School, Davenport

IMPACT OF JA INSPIRE 2023

Of students unsure of a career path:

now feel they know of a career field that is a great match for their talents, abilities, and interests.

Of students who did not expect to go to college:

now agree that they plan to go to college, begin an apprenticeship, or learn a skilled trade.

Of students who had not researched a career of interest:

have now researched at least one career or job in which they have interest.

THANK YOU FOR INSPIRING TOMORROWS!
